

COVER LETTER

DYLAN CRUICKSHANKS

I am currently 18 years old and have finished school at Mt Maria College. I am looking for Casual, Part Time or Full Time Employment, whereby I am able to work in the afternoons and most weekends. I consider myself a person with good communication skills, work well in team environments and am able to acquire new skills quickly.

I am punctual for school and other commitments, and value the importance of being honest, reliable and trustworthy.

I have undertaken some work experience placements through school, and during these placements, I was often praised for my hard work, and ability to follow directions.

Please accept my application for Event Cinemas as a Casual Employee, and I look forward to hearing from you regarding this matter. I would welcome the opportunity to attend an interview as this will hopefully give you a better insight in assessing my suitability.

Thank you in advance for considering this application, and should you require any further information, please contact me to discuss.

Regards

Dylan Cruickshanks
